

THORNTON CREEK ALLIANCE GENERAL MEETING

Wednesday, OCTOBER 24TH, 2018 – 6:00 to 8:30PM

Dr. David Montgomery, PhD.

Professor of Earth and Space Sciences
University of Washington, presents:

“Growing a Revolution: Soil, Water, and Society”

How restoring health to degraded soils can dramatically improve and sustain the quality of surface and ground water resources while also providing better profits for farmers and improving the overall health of society.

6:00 pm Social / 6:30 to 8:30 PM General Meeting

Maple Leaf Lutheran Church
10005 32nd AVE NE
Seattle, WA 98125
